NEW Glycolic 10 Renew Overnight

OVERVIEW

Formulated with a free acid value of 10% glycolic acid, Glycolic 10 Renew Overnight works at the true 10% concentration for maximum efficacy to dissolve cellular cohesions and promote turnover. It is complemented by two percent phytic acid to promote skin clarity and brightness, while a triple action-soothing complex fortifies the skin barrier. Glycolic 10 Renew Overnight reveals brighter, more youthful-looking skin.
